2 x tea towels
2 x toilet rolls
1 x soap & Anti-bacterial hand sanitiser
1x Anti-bacterial disinfectant spray
Lifejackets
First Aid kit
Complimentary welcome pack including tea, fresh coffee, cake and milk

Technology - each yacht is fitted with a cigarette lighter USB charger capable of up to 8amps - and we can provide inserts to convert this to a twin USB charger. This is only suitable for charging small devices such as phones and tablets. As with most areas, mobile phone coverage is partly dependant on your provider. It is improving all the time, the best currently for our area are probably Vodafone and EE. 4G coverage is available in most village moorings. Many of the waterside pubs and restaurants offer Wifi.

Food - we work in close partnership with Upton Community Shop. Do call them directly if you are interested in having a food hamper delivered to your yacht for your arrival. Alternatively, we accept all supermarket deliveries from 11am on the morning of your arrival. Please do let us know if you have made an order and give the supermarket your surname and boat name so that we can stow onboard your yacht for you.

We hope you will have a great holiday on the water and look forward to meeting you all.
Andy, Annie & All the EW Crew
